AN INSPIRED **NEW HOME**

Explore what makes this
collection so unique

We're dedicated to designing and building homes with character that people are proud to live in. Inspired by the past but designed for the future, this collection offers the best of both worlds.

WHAT MAKES THIS COLLECTION SO UNIQUE?

Our aim has always been to build homes of the highest quality, reflecting the craftsmanship and details associated with the Arts and Crafts movement. It's this combined with the modern, high end interiors we pride ourselves on that makes this award winning collection so enviable.

Every inch of our homes has been carefully considered, from features such as traditional porches supported by timber posts with gallows brackets to brick plinths that run around the property. These features add grandeur and depth to the front of the home and provide anchoring effect.

ENJOY THE AREA

You won't have far to travel for your everyday essentials, with Nisa Local and Co-op convenience stores located little more than half-a-mile away. For bigger shops there are branches of Lidl, ASDA and Waitrose in Rushden, around a 20-minute drive. Rushden is also home to the Rushden Lakes Shopping Centre, where you'll find household name stores like Marks & Spencer, Boots, Barbour, Flying Tiger and White Stuff. For eating and drinking out the options are similarly plentiful, with the array of restaurants at Rushden Lakes including TGI Fridays, Nando's, Five Guys, Wagamama, Pizza Express and Bill's. Closer to home, local eateries include Indian restaurant The Spice Tree and gastropub The Swan with Two Nicks.

ENJOY AN ACTIVE LIFESTYLE

With Templars Park's location blending rural tranquillity with urban convenience, there will always be opportunities for leisure and pleasure, whatever the weather. Harrold-Odell Country Park is just 10 minutes away in the car, and with some 144 acres to explore, including two lakes, river meadows and managed habitats, it's the perfect place for a relaxing walk, bike ride or picnic. Petrolheads will want to experience all that the Santa Pod Raceway has to offer, with drag racing and motor shows taking place throughout the year. For activity, fun and fitness, Sharnbrook Community Sports Centre has a gym, sports hall, aerobics studio, floodlit hard courts and a sauna. Film fans, meanwhile, can catch all the latest blockbusters at Vue Cinema in Bedford.

OPPORTUNITIES FOR LEARNING

Parents will be pleased to find a wide selection of schools nearby for youngsters of all ages. Sharnbrook Primary School is within walking distance of home, while Sharnbrook Academy, which also caters for sixth form students, is around a five-minute drive.

GETTING AROUND

Templars Park is well connected for car and train travel alike. The A6 trunk road is just moments away, for journeys to Bedford (13 minutes) Luton (49 minutes) and Milton Keynes (34 minutes, via the A422), while Northampton is around 32 minutes on the A45. London is approximately 1 hour and 50 minutes on the M1 motorway.

If you prefer rail to road, Bedford station is a 14-minute drive and offers services to Luton (15 minutes), Luton Airport Parkway, for Luton Airport (18 minutes) and London St Pancras (39 minutes).

OUR REQUIREMENTS AS HOME-BUILDERS

The New Homes Quality Code: Statement of Principles

This **Statement of Principles** (the core principles) sets out the main principles which registered developers agree to follow to benefit their customers.

1. FAIRNESS

Treat customers fairly throughout the buying and after-sales process.

2. SAFETY

Carry out and complete work in line with all regulations and requirements that apply to the new home, as set out by the Government, and have the necessary certificates from an appropriately approved body to show they have done this.

3. QUALITY

Complete all work to a high standard in line with all building and other standards and regulations that apply, as well as to the specification for the new home, and make sure that completion does not take place until the new home is complete (see section 2 of this code).

4. SERVICE

Have in place systems, processes and staff training to meet the customer service requirements of the code, and not use high-pressure selling techniques to influence a customer's decision to buy a new home.

5. RESPONSIVENESS

Have in place a reliable after-sales service and effective complaints procedure to make sure responses to customer queries are clear, thorough and provided in good time.

6. TRANSPARENCY

Provide clear and accurate information about buying the new home, including tenure and any costs the customer may have to pay in the future, such as ground rents and service charges.

7. INDEPENDENCE

Make sure that customers know they should appoint independent legal advisers when buying a new home and that they have the right to ask for an independent pre-completion inspection before completion takes place.

8. INCLUSIVITY

Take steps to identify and provide appropriate support to vulnerable customers and make sure the code is available to all customers, including in appropriate formats and languages.

9. SECURITY

Make sure there are reasonable financial arrangements in place, through insurance or otherwise, to meet all their obligations under the code, including repaying deposits when they are due and any financial awards made by the New Homes Ombudsman Service.

10. COMPLIANCE

Meet the requirements of the code and the New Homes Ombudsman Service.
